

Thinking Mechanics  
Inspiring Life Transformation

## Thinking Mechanics Coaching

Your mind doesn't know what to think, it believes what ever you tell it. This is the basis of Thinking Mechanics Coaching.

Your organisation's competitive advantage exists within the minds, hearts and souls of your people.

Thinking Mechanics helps to unleash this.

### About Me

Nicholas King is a distinguished professional with over two decades of experience in enterprise B2B sales, mostly in a front-line capacity. Additionally, he has contributed as a sales educator for large enterprise tech sales teams and has been a coach and mentor for tech start-up founders.

### Coaching expertise

#### People Enablement & Empowerment

##### Unlocking your Intrapreneurial spirit with Nicholas King

Bring out the best in your team by unleashing their inner Intrapreneur! With Nicholas' guidance, your employees will experience heightened creativity, resourcefulness, proactivity, and overall fulfillment in the workplace. Nicholas' expertise lies in helping individuals unlock their full potential and discovering a new paradigm for success.
